

3-6 Login at Home

Website: https://clever.com/in/mcsd-utah OR through Clever link at https://www.murrayschools.org/	Purpose: Instant login to student-accessible sites with a single username and password
Username: Google username	Password: Google password
<p>Step 1: Go to: https://clever.com/in/mcsd-utah</p> 	
<p>Step 2: Login</p> <p>Username: Student lunch number <i>Example: 12345</i></p> <p>Password: Student Google login <i>Example: jd12345! (first initial, last initial, lunch number, !)</i></p>	
<p>Step 3: Click on the icon for the app you need-Lexia, Typing Agent, etc.</p> <p>*Teachers pages also have bookmarked sites for students to access easily.</p>	

Clever Troubleshooting:

- *Download the Clever App on a tablet or phone.
- *Make sure you are using the link at the top of the page for the Murray District Clever page
- *For scanning badges, be sure the camera is enabled
- *For Lexia on tablets/mobile devices, you must also have the Lexia Core 5 app downloaded on the tablets/mobile devices. *Please note that Lexia doesn't work on Kindles.*

1. You should be able to login through the Clever app and then click the Core5 icon.
2. If this doesn't work, try opening the Core5 app and choosing login with Clever.

Note: You may have to enter your child's teacher's email address the first time they login.

*It is important that your child does their own work in the apps. Do not help your child as it will skew their data.
