

Google Classroom Login at Home on School Chromebook

If your child's Chromebook powers on to this screen, continue with the Login steps below.

If your child's Chromebook powers on to this screen, click on "Add Person" (red arrow), then proceed with the steps below..

Login Steps

1. Type in "email". This is your student's Google login (same as their Clever username). Most students know this, but it can be obtained from your child's teacher.
2. Type in the password. This is the same password that student's use to access Clever and Google at school. Again, this can be obtained from your child's teacher if needed.
3. Google Chrome will launch with two tabs open. One tab will be the Clever sign on screen and the other tab will be a Google search screen.

4. Navigate using the Waffle

to Google Classroom

Classroom

5. Students should see their classrooms or see an option to click on a “Join” button to join their teacher’s classroom.

6. Teachers in grades 1-6 will be posting information in Google Classroom for students.
