

## **VIEWMONT ELEMENTARY SCHOOL**

### **2023-2024 Kindergarten FAQ**

#### **When will Kindergarten KEEP testing take place?**

August 21-25. You will be able to sign up for a time slot in our school communication app ParentSquare when the schedule becomes available. You will be notified when it is time to do so, so please make sure to download ParentSquare.

#### **Who will be testing my Kindergartner?**

One of our Kindergarten teachers will test your child. It may or may not be your child's Kindergarten teacher, because class placement does not take place until after all Kindergartners have been tested, to be able to create well-balanced classes.

Please don't bring siblings to the testing appointment. When arriving at the school, please ring the video doorbell, check in at the office, and proceed to one of the Kindergarten classrooms with your child.

#### **When and how will we be notified of our student's Kindergarten teacher?**

As soon as possible after testing is finished. The teacher will reach out to you in ParentSquare to let you know.

#### **Do we need to purchase school supplies?**

Our school will provide every student with the needed school supplies. However, teachers may ask for additional donated items, such as tissues, snacks, etc. They will list these items on ParentSquare or send a list home with your child. These items are **OPTIONAL**, not required.

#### **When do Kindergartners start school?**
